With great sadness we have learned that David Williams has passed away. There will be a celebration of life this Saturday, October 9th in Tomball. Details below.

David Allen Williams 1950-2021

On Friday, September 17th, David Allen Williams was called home at the age of 70. The world has lost a great father, Grandpa, brother, and fisherman.

David was born in Houston, Texas, on December 16th, 1950. He was a 3rd generation Houstonian. Growing up, David loved to play baseball and his dad, Roy F Williams, coached many of his little league teams, just as David did for his kids later in life. He developed a passion for being on the water with his dad and honed his skills for fishing the Gulf of Mexico.

A graduate of Westbury High School, class of 1968, David went on to follow his father and grandfather to the Sigma Nu Fraternity as a Longhorn at University of Texas. He will undoubtedly be cheering for the Horns on Saturdays from his seat in Heaven.

David had a 43-year career, 20 of those with Burns DeLatte and McCoy, as a talented MEP Engineer. He was responsible for the design and/or management of well over 100 projects ranging from schools to hospitals and even the Astrodome. He will be remembered for his hard work, kindness, and ability to bring laughter with him always. He was a long time member of A.S.H.R.A.E. and USGBC.

If asked about his biggest accomplishment, David wouldn't list the numerous fishing trips on which he limited out on Specs or Reds, or his career. He would tell you being a father and grandfather was what life is all about.

David is predeceased by his mother, Lena Margaret Williams and father, Roy Frederick Williams Jr. David is survived by his siblings, Virginia Rutherford, Wanda Saucedo, and Robert Williams along with the mother of his children, Debra Roberts, his children, David and Rachel Williams, daughter in law, Keely Williams, his grandchildren, Benjamin and Hank Williams and his beloved Springer Spaniel, Bella.

Join David's family for a celebration of his life at 11 a.m. on October 9th, 2021. The service will be held at Church of the Good Shepherd, Tomball at 801 E. Main St. Tomball, TX 77375. In lieu of flowers, please consider a donation to the CCA https://ccatexas.org/.

Following the celebration, David's family will be taking him on his last fishing trip and scattering his remains in The Gulf of Mexico.
